

# Fleet 5 Fall Update

There are several important issues that you need to know about, so be sure to read all the way to the end, since ***doing that might save you some money!***

First up, while the sailing season is over, our party season is not. In fact, our annual **Awards Party** is perhaps the most important one of the year (it's when we hand out the swag, after all), and it is coming up fast on November 10, generously hosted by **Peter and Wendy Frisch** at 20 Mostyn Street in Swampscott, near Preston Beach.

So far, not too many of us have gotten around to RSVP-ing, and it's time to do just that. It's especially important for a large number of us to show up, which all but one of us failed to do at the MRA awards night, leaving Jocelyn Cook to cart away our trophies. Not a good look, and not to be repeated at our own Awards night. **There are three groups that really *have* to show up on November 10:**

**First**, those who failed to appear last year to pick up trophies that are still on the **Fleet 5 'Shelf of Shame'**:

**Ben Richardson:** Race Week 2017

**Team Nelson:** Several MRA 2017 awards

**Team Colman:** '17 Hallawell Family award (Pick up your keeper and admire your name on the perpetual!)

**Bill Rothwell:** '17 Rookie of the Year, (also pick up your keeper and admire your name on the perpetual!)

**Eric Thornton:** Has the dubious distinction of still not having picked up a 2013 award!

**Second**, those who have earned **2018 MRA** trophies:

**Spring Series:** Kaznoski/Cook, Team Pandapas, and Larry Ehrhardt

**MRA First Series:** Frisch/Hourihan, Team Pandapas, and Team Taylor

**MRA Second Series:** Team Taylor, Team Pandapas, SteveUhl

**MRA Third Series:** Frisch/Hourihan, Team Pandapas, Steve Uhl

**MRA Labor Day Regatta:** Team Pandapas, Larry Ehrhardt, Lane/Heffernan

**MRA Overall:** Team Pandapas, Team Taylor, Steve Uhl, Frisch/Hourihan, Kaznoski/Cook

**MRA Fall Series:** Team Pandapas, Lane/Heffernan, Team Taylor

**Race Week:** Dave Nelson, Team Pandapas, Kaznoski/Cook

**Twilight Series 1:** Team Casler, Sheldon/Sousa, Steve Uhl

**Twilight Series 2:** Team Pandapas, Team Colman, Team Martini

**Twilight Series Overall:** Team Colman, Steve Uhl, Team Casler

**RTTC Grand Prize:** Team Pandapas

**Third**, there are our **Fleet 5 perpetual awards**, to be announced at the Awards Party (appropriately enough!) The winner might be you, so don't risk missing out on enjoying our own version of a Duck Boat Parade.

**Hallawell Family Trophy**

**Rookie of the Year**

**Most Improved**

**Richie Santos** (crew)

**President's Trophy**

**Hackers Award;** (TBD via readings taken from the **Hack-o-Meter**, inspired by Pleon)

**You are not done yet! Read on...**

You may have seen **Doyle One-Design's** offer of **discounts on fall sail orders**. In the fine print, it mentions that there is an extra 5% discount for fleet orders. There is still time to do that if we act fast. All those who plan to (or already have) ordered new sails for the 2019 season should contact me ASAP at [Jim@tayloryachtdesigns.com](mailto:Jim@tayloryachtdesigns.com) so that I can put a fleet order together with our own **World Champion Jud Smith**.

USA Production in Salem, MA by the same sailmaking team for a decade of Jud Smith, Tomas Hornos, Keely Webster, and dedicated stitchers

## 15% Discount Still Available for a Short Time

Huge congratulations to your Class President, Rick McGregor, on winning the New Orleans Nationals. We hope all attendees enjoyed their time in such a cool part of the world.

Halloween is tomorrow and here at Doyle One Design, we wanted to remind our Rhodes 19 customers we are still offering our Fall Discount to you. We appreciate that the Rhodes 19 class has had continued strong participation over the years and is one of the few classes we make sails for that still has an off season.

We are extending the October 15% discount until November 5th. After that, orders placed in November are discounted 10% and December orders 5%. Fleet orders of 6 or more sails add an additional 5% discount.

Email us your order form at [onedesign@doylesails.com](mailto:onedesign@doylesails.com): call it in, mail it in, fax it in. However you would like.
